EXPERIENCE

Lead Teacher & Lecturer

[Le Wagon Coding School](#)

📅 05/2020 – present

📍 Madrid, Barcelona, Amsterdam, Lausanne

Taught **full-stack web development & product management** for **Europe's #1 Coding School**, including back-end in Ruby, front-end with HTML, CSS/SASS, JS (ES5&6, Stimulus), database management (SQL) and app development with Ruby on Rails & Heroku. Voted **school's best professor** multiple times.

Head of Program

[South Summit & Spain Startup](#)

📅 06/2018 – 05/2020

📍 Madrid, Spain

- Went from **unpaid intern** to **Head of the department**
- Recruited 500+ VCs, C-levels, and startup founders
- Select the best 100 projects from 3'500 startup applications
- Spoke on the company's behalf at conferences
- Fully merged and redesigned the department's databases

Project Leader – Industrial Engineering

[AP Sensing](#)

📅 09/2017 – 05/2018

📍 Houston, TX, USA

Voted **best 2018 Industrial Engineering project** of Lamar University

PH.D. Assistant - Operations Research

[Lamar University](#)

📅 03/2018 – 05/2018

📍 Beaumont, TX, USA

Proofreading & editing of graduate-level technical papers about operations research and industrial engineering (Optimal Maintenance Policies and Multi-Level Preventive Maintenance).

HONORS & AWARDS

- Player & **Team Captain** of Lamar University Div.1 Men's Golf
- Lamar University's **best student** award & graduation speaker
- Graduated LU with a **4.0 GPA** and **Summa Cum Laude** mentions
- LU's Athletic & **Presidential Scholarship**, President's List
- Member of the Swiss Golf **National Team** for 8 years
- 7 Gold Medals at **Swiss National Interclub** Championships
